Free School Lunches – Is Here!!

The free Healthy Lunch in Schools Programme started today, for all students! This was a great success and the students really seemed to enjoy their lunch. If your child has any food allergies that we need to be aware of, please get in touch with the office as soon as possible.

Touch Rugby 23rd March 2021 Report

We travelled to Palmy and it was a beautiful autumn evening for playing touch rugby. Our first game was versus QEC Development and we ran in a big score of 8-1. The majority of the team managed to score as we were only playing with seven players. Tries to - Latrell, Korey, Taylor, Hone and two each to Ezra and Carlos.

The second game was a lot harder versus PNBH Blue who had beaten us in a previous round. It was extremely competitive and again only having seven players took its toll which was further exacerbated by a malicious foul play on one of our younger players causing injury. We were beaten in a nail biter - four tries to five. Tries went to Latrell, Hone and two to Carlos.

We have one more game next week and then the first module is complete.

MVPs yesterday - Hamu three points, as he set most plays up and for his leadership. Two points to Hone for being a workhorse and communicator and 1 point to Carlos for filling in at the last minute and finishing off the plays.

A big shout out to our sideline cheerleaders - Ange, Shanelle, Tyrone and Kavahn.

Taihape Junior Soccer

Due to Covid-19 in 2020 Taihape Junior Soccer did not have the year that it had had in previous seasons.

Registration for the competition being held in Term 2 2021 will be held at St. Joseph's School Fields on Sunday 11th April at 11am.

Taihape Junior Football is a registered Club and as such needs to have formal meetings and AGM and appointments to positions, e.g., Treasurer, President etc

Many of the people that have held these positions for many years no longer have children involved in soccer and are now handing over the mantle of care to others to step up and carry on these roles.

The format for this year's competition is likely to be Taihape teams against Hunterville teams with possible one-off games against Waiouru starting in Term 2, for ten weeks. Games will be held on Thursday afternoons with details about where to be decided.

Players from ages 5-13 (Year 0-8).

Coaches will be needed to step up on Registration Day too. If on Registration Day these positions are filled a formal handover will be made to the new committee. The existing committee are happy to help new position holders merge into their new roles in the first instance.

Registration Day: Sunday 11th April at 11am

Thank you,
Allan Cant (President), Carla Wilson (Secretary) and Tracey Scott (Treasurer).
