## Learning Conferences

Learning Conferences are running next Tuesday 11th and Wednesday 12th May from 3.00-5.00pm, and are available to be booked with all teaching staff. Bookings can be made via Skoolloop, or by phoning Amber-lee in the Office.

## Cell Phones

Thank you to our whanau for your support of our 'NO cell phone at school' protocols. While they can be utilized at times as a tool for learning, in which you will be informed if this is the case, there is no need to have them at school – as TAS does not allow cellphones at any time during the day. As with most workplaces, unless there is 'work purpose' for phones – they are not to be used during the working day. Should a student be caught using their cellphone, they will have it confiscated and taken to the office for parent collection (phones will be placed in the safe if overnight). If this occurs, students will need to hand in the phone each day before they start their academic program.

We value your continued support in this – and are happy to get messages to your children – should there be a need.

# School Uniform Reminder

Our School Uniform allows for flexibility for students and parents. We thank those students and families who do abide by the fact we are a uniform school and as such ensure the uniform is worn with pride. There is to be **NO HOODIES** worn at school.

# Free School Lunches – Is Here!!

We launched our Free lunch in school program towards the end of Term 1 and it is a privilege to be able to serve our community by having this available at TAS. Student and whanau feedback has been positive and while sometimes the challenge is to try new foods, physical sustenance is important to be able to function and learn effectively. Our providers, Libelle group, are happy to have feedback – so let us know if there are any positives or critiques – so we can ensure we get the best out of the program.

If your child has any food allergies that we need to be aware of, please get in touch with the office as soon as possible.

Please note, the canteen is not yet operating so the students will still need to bring morning tea and water bottles with them. We will keep you informed as to when the canteen will open.
