## Covid – Level 2

While new cases in the community are always disappointing to hear of, it is reassuring to see how quickly they have been identified. I am sure we are all grateful for the efforts of our health workers, scientists and technicians in this regard, and the thousands of people who have been tested.

As a community we need to avoid the complacency which New Zealanders tend to quickly move into. Please do continue to scan QR codes and monitor closely for illness within your whānau.

Our focus as always will be to support the learning, safety and wellbeing of our rangatahi and tamariki and we continue to be here to support you too.

Please don't hesitate to contact us, if there is something you need assistance with.

Ngā mihi
